KYLE LYDELL CANTY

Plaintiff Kyle Lydell Canty hereby declares:

I arrived at Harborview medical Center on
July 8th 2016 via amr and departed July
13th 2016 via amr. Em.t's Brittney holm, and
Wendy Benitez transported me to Harborview
Medical Center and both were told that I had
"Known mental" history, by the City of Seattle

I Was wearing on my back a black mission

Workshop backpack, this backpack was ripped off of my back when I was tackled to the ground very violently by S.P.D. officer Andrew Hancock and Marshall Coolidge also a S.P.D. officer, the date was July 8th 2016, the location was Fourth Avenue and Pine directly in front of the At+ Store in downtown Seattle WA. This violent act of the City of Seattle and its officers took place in front of hundreds of people before I was transported to Harborview medical Center on the date of July 8th 2016.

In my black backpack ~~were~~ these following items.

- (1) a United States Passport - "only one" no others
- (2) a Social Security Card - "only one" no others
- (3) a Samsung Galaxy note Cell Phone With S-Pen along With White hard Shell Case
- (4) a Z.T.E. flip Cell Phone

- (20) Black mission Workshop backpack
- (21) Hundreds of Photography pictures from all around the world including Countries such as Japan, and Canada, including States such as Texas, New York, Arizona, North Carolina, Nevada, Washington, New Mexico,

When I departed from Harborview medical Center on July 13, 2016 Timothy Renihan Seattle police detective had all of my Property, he never took it to King County

Jail as he wrote in his reports, I seen him with my own eye's while looking out of the window of A.M.R. first put in the trunk of a car, and then another detective drove off, Timothy Renihan then got into the A.M.R. vehicle with me while I'm laying on the gurney and started asking me where did I lived at, and I remained silent the whole time.

I noticed a solid Gold wedding band on his finger, Timothy Renihan also is very short, odd shaped body, greyish hair and not good at lying on case file reports.

The Chain of Custody as documents will later prove goes in this order City of Seattle and it's officers, Harborview Medical Center, back to City of Seattle and it's officers. The black backpack never saw King County Jail at all. "Question of law"

Pursuant to my secured Fifth, Fourth, and Eighth amendments of the United States

Constitution - all my personal property was destroyed intentionally (Fifth amendment), I was in jail from July 13 to November 29, 2016 (Eighth amendment), (Fourth amendment) not to mention the City of Seattle and its officers keep trying to cite RCW's that they didn't even follow pertaining to the destruction of property. "RCW 63.32.010"

In Conclusion it is a "Brady Violation" When you destroy personal property that is to be used at trial, furthermore why would the City of Seattle and its officers destroy a United States passport and United States Social Security Card, or did they? hmmm I find it very hard to believe that the City of Seattle and its officers destroyed my United States Government issued Identification. The Federal Bureau of investigation, A.T.F., and I.C.E agents will have to answer these questions.
